

FLAG DAY TENANT EVENT

The Management team will be collecting American Flags no longer acceptable for use. These flags will in turn be given to the Boy Scouts of America who will be conducting a formal ceremony for these flags on June 14th. Please call our office for pickup, or bring any flags to the management office by May 31st.

For questions about flag disposal and drop off, Please contact Lindsey at 203-552-4110 or email lindsey.tomb@cbre.com

In celebration of Flag Day, all tenants who wear **Red White & Blue** on Tuesday, June 14th will receive a free cookie from the cafe.

National Flag Day is when Americans celebrate the meaning of their nation's flag, honor the traditions associated with its care, and educate those around them to its significance. The Flag of the United States is to be honored

Facts about our flag:

and carries with it both history and tradition. On June 14, 1777 the Flag Resolution was signed, making the current stars and stripes the National Flag of the United States of America. On May 30, 1916, President Woodrow Wilson called for the nation-wide observance of Flag Day. In 1949, President Harry S. Truman signed congress' decree, making June 14th of each year National Flag Day.

-The flag should be displayed from sunrise to sunset. If displayed overnight during dark hours, the flag should be illuminated.

-When two or more flags are flown from the same pole, the American flag must be on top.

-Worn out flags must be burned in a formal ceremony to be properly disposed of.

WELCOME TO THE TEAM JOE!

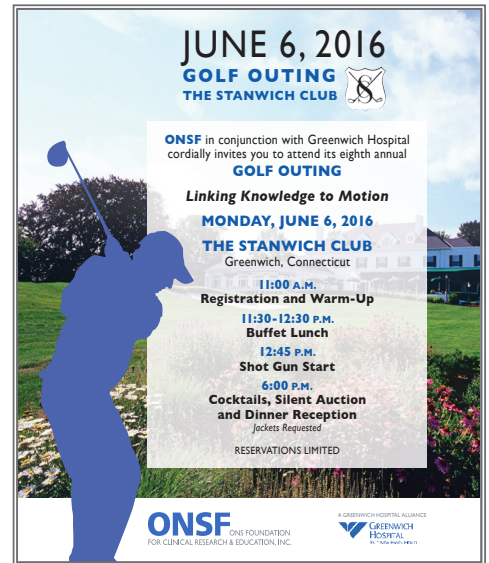

The Greenwich Office Park Team would like to extend a warm welcome to Joe Maczuga. Joe has taken a role as an engineer on our maintenance team and looks forward to ensuring the safety and comfort of tenants here at the park. Outside of work, Joe's interests include playing billiards and fishing.

2016 EARTH HOUR SUCCESS

Thank you all for joining in our Earth Hour event brought to you from Techniart and Energize CT. Energy saving lightbulbs were sold in the cafe and many people got to learn about efficient lighting, saving energy, and saving money.

On Saturday, March 19th, over 1.2 million individuals took action to help climate change by turning the lights off from 8:30 p.m. to 9:30 p.m. Countries across the world participated and joined together to beat past years goals. Together, 178 countries and territories participated and 7 countries are now aiming for climate policies. Thank you for helping us be a part of something bigger.

GREAT PLACE TO THROW A PARTY!

Did you know that you can hire out the Park cafe for parties? The cafe staff has hosted numerous events of all kinds over the years.

Recently, cooking demonstrations were performed which turned out to be a very fun and interactive event!

The Park Café is available for meetings, parties and holiday events. With the great Greenwich location, seating up to 100, full kitchen facilities and professional staff, the café is an ideal place to consider for all your catered needs. The cafe also caters for big parties and events. If there is something they can do for you, just inquire with the staff or call 203-861-7275

SUSTAINABLE, HEALTHY LIVING

Here are some spring themed and year round tips to make a greener difference:

- Instead of hitting the gym or using exercise machines at home, take your workout outside and enjoy the spring weather. You will save energy at home and at the gym and get some fresh air.
- On nice spring and summer days, commute to work on a bike instead of driving your car.
- Go green locally and buy local foods- particularly, look for fresh in season fruits and vegetables. Check out local listings for your neighborhood farmers market, or grow your own!
- Wash your clothes in cold water- up to 90% of energy consumed by washing machines can be attributed to using hot water during the wash cycles. When laundry is done, hang clothes outside to dry for a nice fresh spring scent instead of using the dryer.
- Control your thermostat at home. Turn off the air during the day while no one is home, use it at night, but set it so it runs in intervals as opposed to non stop.
- Run things like the dish washer and laundry at night during off peak hours. This will actually have a dramatic environmental impact.

HAPPY RETIREMENT, JOE!

At the end of May, we said “bon voyage” to Joe as he celebrated his last day working and started his much deserved retirement in Poland. He brought so much professionalism and hard work to the team and he will be greatly missed.

Best of luck to Joe in his next adventure!
